Dear Ms. Crowley,

The Maine Forest Service received your after-the-fact NRPA Permit by Rule application on June 1, 2015 for the construction of a stream crossing across an unnamed brook on your land in Sabattus, Maine. The Permit by Rule (PBR) form has been reviewed by the Maine Forest Service and was found to be complete.

The review of PBR 15008 by the Maine Forest Service finds that your completed project as outlined in the application met the requirements for the Permit by Rule, Chapter 305, Section 10 for the construction of the crossing.

Please contact me if you have any questions.

Sincerely,

James Ecker
